Comment for planning application WSCC/045/20	
Application number	WSCC/045/20
Name	Jonathan Quearney
Address	WOODCOTE, WOODCOTE ROAD, WOODCOTE ROAD, FOREST ROW, RH18 5AP
Type of Comment	Objection
Comments	I object to the digging for oil at Balcombe Well and any of its surrounding area. The damage to the natural habitat and impact that fossil fuels have on the climate are my main 2 objections. The repercussions of these actions have been proven to be only damaging to the earths climate. These facts are known to the fossil fuel industry, yet companies like Angus refuse to adapt their business modelS efficiently in order to no longer avoid going against the wishes of the people in the surrounding areas of East Sussex
