Comn	nent for planning application WSCC/045/20
Application number	WSCC/045/20
Name	Hannah Barker
Address	GLADSTONE PLACE, 10, GLADSTONE PLACE, BRIGHTON, BN2 3QD
Type of Comment	Objection
Comments	the environmental risks and costs far outweigh any arguements that further unconventional drilling of fossil fuel in the ground is necessary. Keep it in the ground. The damage likely caused is monumental: both locally to water tables and earth plus the dragging up of new poisonous fossil fuel for the planet. We do not want nor need this.
