Application number	WSCC/045/20
Name	Roy Bliss
Address	Cuckmere, Stockcroft road, Balcombe, West Sussex rh17 6ll
Type of Comment	Objection
Comments	Several HGV vehicle movements a day through the village carrying a hazardous substance is completely unacceptable. The vehicles would pass the school that is below the level of the road. This means that any spillage resulting from an accident would flow down into the school. This would be catastrophic and if the spillage was ignited by the accident the results would be too awfull to contemplate.
