

Comment for planning application WSCC/045/20

Application number	WSCC/045/20
Name	Shirley Bliss
Address	Cuckmere, Stockcroft Road, Balcombe, RH176LL
Type of Comment	Objection
Comments	London Road in Balcombe is limited to two lanes with the primary school located near the northern end. The road is used for some valuable casual parking and when this takes place it is reduced to a single lane. The prospect of having several HGV movements per day causing traffic congestion, raising accident risk ,adding noise and air pollution is totally unexceptionable.
