Application number	WSCC/045/20
Name	Dan
Address	STANMER PARK ROAD, 84, STANMER PARK ROAD, BRIGHTON, BN1 7JH
Type of Comment	Objection
Comments	Dont drill here - this is an area of outstanding natural beauty. There is risk of ground water pollution and it will cause air pollution, not least in the location of nearby school. Frustrating that there is need to fight another bid to drill.
