Comment for planning application WSCC/045/20

Application number	WSCC/045/20
Name	Paul Fleetwood
Address	PADDOCKHURST ROAD, PADDOCKHURST ROAD, CRAWLEY, RH10 4SB
Type of Comment	Objection
Comments	This proposal has been repeatedly rejected by the local population and council. We are now much more conscious of the dangers of global warming which is caused by fossil fuels, and the danger of polluting ground water is acute.
