

Comment for planning application WSCC/045/20

Application number	WSCC/045/20
Name	Rebecca Darcy
Address	DOWNLANDS COTTAGE, BOLNORE FARM LANE, BOLNORE FARM LANE, HAYWARDS HEATH, RH16 4BQ
Type of Comment	Objection
Comments	We cannot continue to rape & pilage the ground beneath our feet for fossil fuels without severe environmental consequences. The oil companies in question are not fulfilling a need, there are other fuel options out there, but this is simply about wealth & shareholder greed. These people do not care about our green and pleasant land, nor the devastation this will cause to our rural communities - they only care about profiteering. Please, elts lead from the front - if councils consistently turn down these application the oil companies and governments will be forced to renewable alternatives.
