Comm	nent for planning application WSCC/045/20
Application number	WSCC/045/20
Name	Rebecca Askew
Address	EASTERN AVENUE, 30, EASTERN AVENUE, SHOREHAM-BY-SEA, BN43 6PD
Type of Comment	Objection
Comments	I object on the grounds on pollution to the residents of Balcombe from the flaring and the inappropriately heavy vehicles on the small country roads and further afield given the potential for contamination of groundwater; and lack of utility as our society doesn't need any more sources of hydrocarbons as it should be striving to minimise carbon emissions.
