Comment for planning application WSCC/045/20	
Application number	WSCC/045/20
Name	Irene Soler
Address	Flat 2A, 5 Eastern Terrace
Type of Comment	Objection
Comments	I object to this for several reasons, ie. not suitable in an AONB, rIsk of pollution to nearby reservoir, impact of flaring on air quality and health, increased HGVs going past the school and rIsk of groundwater contamination, climate change. At this stage and age choosing fracking is unacceptable.
