Comment for planning application WSCC/045/20	
Application number	WSCC/045/20
Name	George Fitzsimons
Address	RIVENDELL, LONDON ROAD, LONDON ROAD, HAYWARDS HEATH, RH17 5EU
Type of Comment	Objection
Comments	I object on environmental grounds - fossil fuels should be a thing of the past, the activity will be polluting and generate heavy traffic, there are risks of water pollution and earthquakes. We do not want this activty ever, by any company and you should reject the application out of hand.
