Comment for planning application WSCC/045/20	
Application number	WSCC/045/20
Name	Jennie Tomlinson
Address	11c Hayes Lane Slinfold
Type of Comment	Objection
Comments	Fossil fuels should stay in the ground. We should be aiming at carbon-neutrality ASAP. Renewable energy is cheaper and cleaner than oil and gas. We have the technology for replacements, let's invest in them now. Build back better after the pandemic.
