Comment for planning application WSCC/045/20	
Application number	WSCC/045/20
Name	Lorna Mackay
Address	BRIGHTON ROAD, 48, BRIGHTON ROAD, HORSHAM, RH13 5BT
Type of Comment	Objection
Comments	This industrial company is unsuitable in a small village with small roads. It is near a school and the noise, air and water pollution would be extremely damaging to developing children. Fossil fuel energy is damaging to the environment, greener sources of energy should be used instead.
