Comment for planning application WSCC/045/20	
Application number	WSCC/045/20
Name	Catherine Rennie-Nash
Address	23 Castle Green Close Kendal
Type of Comment	Objection
Comments	To allow fracking anywhere in this country, or the world for that matter, is irresponsible and immoral. If we are to have any hope of keeping global overheating to 1.5 degrees ALL fossil fuels must be left in the ground. The disruption and danger to a small village is untenable - huge lorries close to schools and homes, flaring causing pollution, pollution of water sources, likely seismic activity Please knock this dangerous project on the head once and for all and let's welcome instead companies that give us
