

Comment for planning application WSCC/045/20

Application number	WSCC/045/20
Name	Jason Varley
Address	SWAN CORNER, 9, SWAN CORNER, PULBOROUGH, RH20 1RJ
Type of Comment	Objection
Comments	We do not need this in our district. Fracking is bad for the environment and the profits will go into the already rich. It brings nothing to the local community.
