Comn	nent for planning application WSCC/045/20
Application number	WSCC/045/20
Name	Michael Morland
Address	2 Pierpoint Mews, Eastbourne, BN23 5NL
Type of Comment	Objection
Comments	All UK Authorities that support Fracking are effectively poisoning peoples future for GENERATIONS to come and therefor will be RESPONSIBLE for the irreparable damage they deliberately impact upon our HEALTHY futures. RESEARCH PROVES BEYOUND ANY DOUBT ALL THE POWER WE NEED CAN BE OBTAINED VIA THE INTERCONNECTION OF SEA, WIND AND SUN! FRACKING RESIDUES ARE AS EFFECTIVE AS THE CURRENT COVID-19 ON THE HEALTH OF OUR NATION!!! Just to and think for a moment Fracking and Nuclear threaten the SECURITY of our very small land mass as they are easy targets for enemies. Power provided by a multitude of NATURAL SOURCES spread across all our lands and waters is both practical safe and sustainable. WAKE UP BEFORE FRACKING EFFECTIVELY DESTROYS THE FUTURE OF OUR CHILDREN AND GRANDCHILDREN. PLEASE DON'T LET GREEDY PROFIT SEEKING CORPORATIONS WHOSE AIM IN PROFIT, PROFIT AND PROFIT SUDUCE YOU SPIRITUALLY AND WITH FINANCIAL INDUCEMENTS!!! WAKE UP! THEY DO AND AT THE HIGHEST LEVEL OF OUR DECISION MAKING SYSTEM!!!!!! STOP WASTING OUR LIVES WITH FRACKING LETS ALL HOLD HANDS WITH NATURE AND BUILD A SUSTAINABLE FUTURE FOR THOSE WHO FOLLOW US.
