

Comment for planning application WSCC/045/20

Application number	WSCC/045/20
Name	Lyndsey wintringham
Address	QUARRY HILL, 41, QUARRY HILL, HAYWARDS HEATH, RH16 1NG
Type of Comment	Objection
Comments	We live, work and our children attend school in the area near this proposed site. There is a lot of wildlife and generally things are very peaceful. We do not want the increased traffic, Noise, potential for earth movement or any disregard for the local community. We join with other local people to strongly object to this.
