Comment for planning application WSCC/045/20	
Application number	WSCC/045/20
Name	Alan Warburton
Address	Victoria House, London Road, Balcombe, RH17 6HS
Type of Comment	Objection
Comments	I object to the planning application in the strongest possible terms. This is because of the destructive effect the action will have on health from flaring, water quality, noise, vibration, road traffic danger to life, and the environment. The action would also further climate change due to fossil fuel extraction.
