Application number	WSCC/045/20
Name	John Wood
Address	CRABTREE AVENUE, 63, CRABTREE AVENUE, BRIGHTON, BN1 8DH
Type of Comment	Objection
Comments	There is a climate emergency! We should not be looking to extract any more damaging fossil fuels. I believe that the UK is committed to net zero carbon by 2040, this drilling is out of line with this commitment.
