Application number	WSCC/045/20
Name	Michelle Thornton
Address	NEWLANDS, 18, NEWLANDS, HAYWARDS HEATH, RH17 6HX
Type of Comment	Objection
Comments	I object to this Fracking in Balcombe. It is not a good decision to frack where people live causing noise and air pollution. In addition, the upset to the local community would be immense. It would cause major disruption not to mention that destruction to the beautiful fields and landscape. This must be prevented and action must be taken.
