Comn	nent for planning application WSCC/045/20
Application number	WSCC/045/20
Name	Nick Warwick
Address	2 St Georges House 9 Hassocks Road
Type of Comment	Objection
Comments	This proposed activity is not suitable or acceptable in an AONB. There is the risk of pollution to a nearby reservoir. Today more than ever, the impact of flaring on air quality and health is crucial. There will be HGVs going past the school. Childrens' road safety is a paramount basis for objection. Ata time of urgent concern about the environment, the risk of groundwater contamination must be considered.
