Application number	WSCC/045/20
Name	Robbie Gregorowski
Address	LITTLE STROODS, WHITEMANS GREEN, WHITEMANS GREEN, HAYWARDS HEATH, RH17 5DA
Type of Comment	Objection
Comments	Totally inappropriate in the context of a climate crisis driven by fossil fuels. More broadly in the context of the covid pandemic destroying local lives and businesses I'm certain WSCC will be keen to support green investment and a wider green growth strategy as the solution What possible legitimate reason could they have for supporting a proposal such as this?!?
