Application number	<input type="text" value="WSCC/045/20"/>
Name	<input type="text" value="Philip Metherell"/>
Address	<input type="text" value="FIELDWAY, 11, FIELDWAY, HAYWARDS HEATH, RH16 2DD"/>
Type of Comment	<input type="text" value="Objection"/>
Comments	<input type="text" value="We should not be seeking new sources of fossil fuels but should invest in renewables. I would object to this type of proposal wherever it was proposed but the fact that my grandchildren live in Balcombe adds extra weight to my objection. I volunteer at the primary school and the last thing it needs is heavy lorries thundering by. It should also be noted that pollution of the water table is highly likely."/>
