Comment for planning application WSCC/045/20	
Application number	WSCC/045/20
Name	Nicholas Goulden
Address	GLEBELANDS, 112, GLEBELANDS, PULBOROUGH, RH20 2JL
Type of Comment	Objection
Comments	I wish to object [n the strongest terms to the above application. There is absolutely no requirement for more dril][ng operations. Oil must be left in the ground, if we are to win the fight against climate change. We have to put all our efforts into renewable energy.
