WSSC Ecological Response to...

Application Number WSSC/048/20
Location Land to the north of CDEW Screening Site, Thistleworth Farm,
Worthing Road, Horsham RH13 8NR
Proposal Retrospective application for landfilling works
Applicant A Hyatt Contractors Ltd
Grid Reference 515522 119077

There is no ecological objection to the retrospective application as presented. I support the County Arboriculturists response and similarly recommend a suitable worded condition to secure appropriate native planting and maintenance scheme to be implemented as approved by the LPA.

Example condition:

[*No development or any preparatory work shall take place*] unless and until there has been submitted to and approved by the Local Planning Authority a native planting and maintenance scheme, which shall include a planting plan and schedule of plants noting species, plant sizes and proposed numbers/densities. The scheme shall include seeding with a Native British Wildflower Flora mix appropriate to the soil and climate of the site.
