Application number	WSCC/052/20
Name	Sue Simpson (Locum Pa
Address	WORCESTER ROAD, 64, WORCESTER ROAD, CHICHESTER, PO19 5EB
Type of Comment	Objection
Comments	The Aldingbourne Parish Council fully endorses and supports the objection lodged by the Barnham and Eastergate Parish Council. The Council further objects on the grounds that there has been no comprehensive assessment of the scheme upon the implications for climate change its carbon footprint and pollution . Further, no consideration has been given to the impact of the increased vehicular demand and ensuing congestion that would occur on the wider road network resulting from the new development.
