Comment for planning application WSCC/052/20

Application number Name	WSCC/052/20 Vanessa Barker
Address	26 Downview road, Barnham, West Sussex, PO22 0EG
Type of Comment	Objection
Comments	The little vid showed a pretty, car centred road. No old folks trying to cross to get to the doctor's; no young people with small children coming back from nursery; no teenagers bundling out of school going four abreast to the train station. Just happy happy cars on a through 'A' road with so little traffic that they don't even slow down for the roundabout. No-one trying to get out of adjoining roads from all the new and existing estates. No tractors or through lorries. Fantasy. We need a greater number of CONTROLLED crossings, please. I can't imagine our objections will stop this road going ahead, but can we at least mitigate some of its horrors, and make it safe for all users? Thank you.
