## Comment for planning application WSCC/052/20

Application number	WSCC/052/20

Address	KEEPERS COTTAGE, EASTERGATE LANE, EASTERGATE LANE, CHICHESTER, PO20 3SJ
Type of Comment	Objection
Comments	This road is clearly a box ticking exercise to allow for all the proposed new housing developments in the surrounding areas, i cannot see that this road will alleviate congestion problems with the existing A29 once all the new housing is built. All this road will do is cause more pollution, both air & noise for its surrounding neighbourhoods. I fully agree with the local parish council reports and totally support these.
