Comm	ient for planning application wscc/032/20
Application number	WSCC/052/20
Name	Lynsey Macdonald
Address	MELCROFT, EASTERGATE LANE, EASTERGATE LANE, CHICHESTER, PO20 3SJ
Type of Comment	Objection
Comments	I heavily object to the heavy developments happening in the rural areas of Barnham and Eastergate. Not only because the wildlife that I witness every day will suffer and deteriorate at the hands of greedy developers and the traffic will severely harm the safety of the village and ambience with more traffic sound and light pollution. I chose to move to Eastergate for the villages ambience and character and wellbeing of my children. The developments will bring down the character of the areas and over populate such a dense village, and bring and increase of road traffic accidents, crime and build up of traffic to access the A27 from fontwell Avenue which I do not think has even been considered. Please consider people and planet before profit in this application!!
