Comment for planning application WSCC/052/20

Application number	WSCC/052/20
Name	Jim Willis
Address	ORIEL CLOSE, 7, ORIEL CLOSE, BOGNOR REGIS, PO22 0HN
Type of Comment	Objection
Comments	The area has become dangerous due to too much traffic from multiple housing estates. The new A29 will open more land for building. A bridge at the current A27 railway crossing would speed up traffic flow without opening up the building of more houses.
