Comments	We object to the construction of the road as described in the plans WSCC/052/20 on the following grounds: 1. Risk of flooding - the field where the road is proposed frequently has standing water in the winter. 2. Noise pollution for all residents of Murrell Gardens, Chantry Mead and Ewens Gardens, also see below applicable to these three residential streets. 3. Light pollution. 4. Increased dust and dirt. 5. Exhaust and other motor vehicle pollutions eg brake dust. 6. Loss of green space and wildlife habitat. 7. Pointless waste of council tax money for no evident gain. 8. Increased danger to pedestrians at crossing points on Barnham Road and Fontwell Avenue. Please take the above into account when considering this planning application. Andrew and Carolyn Law
