Comments	So pleased this has finally got to this stage. I welcome the overwhelming support and commitment shown by everyone involved in this vitally important project. Our work is not done, but now we can see some light at the end of an exceptionally long tunnel. I would like to thank Cllr Nigel Jupp for managing this to this point, and to the Team at WSCC for delivering this application. The various family and other Groups involved with Woodlands Meed can now see the plan for the new and vastly improved facility and I am sure they will support the application through to completion.
