Comments	Wholeheartedly support this application. As a former staff member, had to say goodbye to too many pupils on the school site who were unable to access the college site for many reasons, leading to them having to move to another school with the facilities and access they had enjoyed at the school. Very sad to see them go after being so happy there, would be good to have comparable facilities across both sites at last! Been a long time coming, please God it actually happens now, it's no more than the pupils and staff deserve!!!
