## Comment for planning application WSCC/011/21

Type of Comment	Objection
Comments	Completely unsuitable for a small village area. We are having housing upon housing upon housing added to our small villages, this is just too much. The noise pollution in a small village will be unbearable to residents, as well as unsightly chimneys ruining the landscape and polluting the farm land. We are only a small village! This would be more suited to a large out of town area. PLEASE put the welfare of local residents first. This development keeps getting knocked back for very good reasons. It's not suitable for the proposed location!
