Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 Jon Barnes
Address	MAY CLOSE, 3, MAY CLOSE, LITTLEHAMPTON, BN17 5TF
Type of Comment	Objection
Comments	I strongly object to this application as there has been permission granted for an incinerator in Horsham which is much better suited for this type of facility than Ford. It has better road links than Ford and is more central. Why build another one at Ford, it's not needed and is totally unsuited to the area? With all the house building going on in the area, the roads are already heavily saturated with traffic, this facility will clog the local roads up even more. I understand that there is going to be a large housing development on Ford, why build an incinerator right next to this?
