Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 Daniel Stillwell

Type of Comment	Objection
Comments	There is no improvement on the new plans the building maybe smaller but has now got 2 chimneys instead of 1, I would support a recycling site but not the incinerator and chimneys, this will be a blight on the landscape and no matter what landscaping is used you will not hide the chimneys, I fear for what will be pumped from these chimneys so close to a residential area and the extra waste lorries and I believe there will be an odour that will accompany this as well, Please refuse this for the sake of the future of Ford and yapton
