Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 Sharon
Address	FAIRVIEW, NYTON ROAD, NYTON ROAD, CHICHESTER, PO20 3UA
Type of Comment	Objection
Comments	This site will cause an extremely high percentage of traffic/lorries and trucks bringing in waste from areas from miles away. This extra pollution on the air not only coming from the recycling centre itself but also from all the extra trucks on the surrounding small village roads. These village roads on the surrounding areas are not built for constant heavy goods vehicles trundling down them. This is not the right place for this site. Our roads cannot cope and the air quality will suffer along with more devastation of wildlife and habitat being concreted over. Please consider another site.
