Comment for planning application WSCC/011/21

| Application number | WSCC/011/21 |
|-----------------------|--|
| Name | Kimberley craig |
| Address | 42 Bedford avenue, bognor regis. West sussex po21 5ar |
| Type of Comment | Objection |
| Comments | The impact the lorries will have on the roads, pollution and risk to health, proximity to a proposed housing development, visual impact from miles around, encourages reduction to recycling and reuse of rubbish . Not just local waste but from miles around. There is no need as one is being built in Horsham. |
