Comments	Completely inappropriate for the area Viridor knew what this area was like when they started here it is a semi rural and is not an industrial area. We already face the doubling of Climping in size due to the large housing development in Horsemere Green Lane won at appeal and numerous infills plus the industrial estate continues through its recycling plant makes the area smell like a dustbin when the wind is blowing in the wrong direction. Please refuse this and tell Viridor to stop these applications the PR stuff that came through the door from them telling the local community of all the benefits we will get from their plant was ludicrous
