Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Sheryl Skillicorn
Address	THE MEADOWS, 1, THE MEADOWS, ARUNDEL, BN18 0PB
Type of Comment	Objection
Comments	The intended size is way too big for our area. The impact the lorries will negative on our small rural communities and their roads. There will be increased pollution and risk to health of local citizens. Also it would be in close proximity to a proposed housing development, visual impact from miles around. This also would discourage recycling and reuse of rubbish. There is no need for one here are there is one being built in Horsham.
