Comn	nent for planning application WSCC/011/21
Application number	WSCC/011/21

Address	CHURCH LANE, 251, CHURCH LANE, LITTLEHAMPTON, BN17 7QJ
Type of Comment	Objection
Comments	I strongly object to this monstrous application. Not only will it be a blot on the landscape, it is entirely unnecessary, since the government is now proposing to get rid of waste disposal facilities powered in this way. The prevailing winds cannot be changed, and even though the app;livation has moderated the size of the building, it cannot change the fact that the winds will carry particle emmissions over our area, Arundel, Lyminster, Wick, Littlehampton. None of us in this area want this hanging over us.
