Dear Sir,

WSCC/011/21 - Demolition of existing buildings, etc.,
Construction of waste sorting and transfer
facility for treatment of wastes, etc.
at Ford Tech. Park, Ford Road, Arundel.

Our society objects to the above as follows :-

- 1) Existence of proposed new buildings and major commercial activity, of whatever scale, will dominate the flat open farmland;
- 2) Any such building and activity will be seen from the South Downs National Park to the north;
- 3) Road network to this site is inadequate with heavy vehicle traffic due to single width roads and no footpaths.
- 4) A27 review has yet to be agreed and will affect traffic movements.

Yours truly,

J.M. Williams (Mrs.)
