Comment for planning application WSCC/011/21

Application number	WSCC/011/21
Name	Christopher Kilbane
Address	PORTLAND CLOSE, 3, PORTLAND CLOSE, LITTLEHAMPTON, BN17 6SJ
Type of Comment	Objection
Comments	There is no justification for this to be built. It is an eyesore that will destroy the views in all directions including from the South Downs. It will pollute the environment for miles around. It is also simply not required when a facility of this size already exists at Portslade.
