Comn	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	Jacqui Cross
Address	NORFOLK WAY, 26, NORFOLK WAY, BOGNOR REGIS, PO22 6JF
Type of Comment	Objection
Comments	I object to this planning application on the grounds that the local road infrastructure cannot support the volume of traffic that will be generated. Visually the building and the stacks will be very intrusive in a rural area, the particulates produced will have a massive impact o. the air quality. This is the wrong place for this development.
