Comments	<input type="text" value="Yapton and Ford has already been ruined by the amount of houses being built and now you want to give us an eyesore that we will always see no matter where we are in the village. Ask yourselves if you'd like this on your doorsteps.. I somehow doubt it. Why should we constantly be ignored as to what we the villagers, the ones who live here and have done for decades want. I 100% object to this."/>
