Comment for planning application WSCC/011/21	
Application number	WSCC/011/21
Name	Fay Warner
Address	Church Lane Nursery, CHURCH LANE, YAPTON BN18 0EH
Type of Comment	Objection
Comments	This incinerator (similar to those banned in parts of Europe) creates unacceptable levels of pollution & toxic emissions, as well intolerable increase in noise and lorry traffic in a village setting, with only village roads. The negative environmental, health and social impact would be totally devastating to the area and its surroundings.
