Address	STEMPSWOOD WAY, 22, STEMPSWOOD WAY, BOGNOR REGIS, PO22 0LA
Type of Comment	Objection
Comments	These incinerators are, now banned in Germany and France. I to the toxic emissions, this will destroy our beautiful countryside with emissions & the noise & plus the increase in traffic (240 artic sized lorries per week down our lanes and B roads) I care enormously about our environment and climate change - this is not the way forward and concerns myself and many others.
