Comm	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	Sarah Bourne
Address	CERES PLACE, 6, CERES PLACE, BOGNOR REGIS, PO22 7RG
Type of Comment	Objection
Comments	I object to this development not only due to the wide scale eyesore they will create, but also the increase in toxic emissions, the noise factor and the increase in traffic (240 arctic sized lorries per week down our lanes and B roads. These incinerators are, I believe, now banned in Germany and France and with very good reason.
