## Comment for planning application WSCC/011/21

Application number Name	WSCC/011/21 SANDRA WALTON
Address	2 NORTH AVENUE, MIDDLETON-ON-SEA, BOGNOR REGIS, WEST SUSSEX, PO22 6HF
Type of Comment	Objection
Comments	The local residents around this area do not want this monstrosity. Please do not ignore the residents' wishes, which so often happens. We pay our rates and are entitled to be listened to. It will affect us in many ways if this goes ahead, some being detrimental to our health and the amount of extra traffic it will bring to our area. And you still have done nothing for us about making the death trap known as Comet Corner safer for road users. Maybe this needs to be sorted out first with. Just leave us in peace please. No more houses and no more incinerators and update the safety of Comet Corner. We are fed up and tired with fighting the authorities for our beautiful villages. We pay a lot of money for our houses and the upkeep of our facilities without adding insult to injury.
