Comn	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	Stella Richards
Address	SOUTHDEAN DRIVE, 5, SOUTHDEAN DRIVE, BOGNOR REGIS, PO22 7TA
Type of Comment	Objection
Comments	This is not a suitable place to install such a huge construction emitting toxic gases. The area will be blighted as this will be seen for miles around. The environment will be totally spoiled and the people's lives blighted in every way. The roads are blocked by lorries already there is no infrastructure to support this. We will not be able to journey anywhere and lorries are not safe on such narrow already congested roads.
