Comn	nent for planning application WSCC/011/21
Application number	WSCC/011/21
Name	Julie le roux
Address	CROFT WAY, 4, CROFT WAY, BOGNOR REGIS, PO22 6AP
Type of Comment	Objection
Comments	I object the building of an incinerator in my local area. Not only is the incinerator bad for the environment but the added traffic, noise and pollution from the extra people/vehicles in the area are just not feasible. It will have a detrimental impact to the immediate area and surrounding vicinity. The jobs created so not out way the environmental impacts
